For this summer's invitational, we feature work by South Brunswick teachers along with work by their students. Twelve teachers chose to participate.

South Brunswick High School is represented by all the teachers from the art department - Dianne Belnay, Laurie Budhu, Norman Chow, Katie McMillan, Twila O'Connell and Betty Ann Snediker - and also Peri Sokol-Orlando, who teaches fashion design at the high school and Susan Goldberg, who teaches science.

The middle schools are represented by Tracey Dovas of Crossroads South, the elementary schools by Tim Brennan of Indian Fields, Ellen Kazar of Brooks Crossing and Tracy Kociolek of Constable.
