LOCAL ARTISTS, CLASSIC SUBJECTS: STILL LIFE

While a still life is a work of art depicting mostly inanimate subject matter, typically commonplace objects which may be either natural (food, flowers, dead animals, plants, rocks, or shells) or man-made (drinking glasses, books, vases, jewelry, coins, pipes, and so on), we hope that the selection, arrangement and the treatment will bring a result that transcends the ordinary. Show us how your vision gives these inanimate subjects new life and meaning. **Application Due Date Wednesday, December 10, 2014 by 4:30 PM.**
